City of Tampere

26.8.2024

Residents survey 3.6-16.6.2024

The survey explored the views of residents of Hervanta, Multisilta, Peltolammi and Tesoma on the positive aspects of the areas and areas for development.

The responses received from the survey will be used to support the long-term development of the Hervanta, Multisilta, Peltolammi and Tesoma areas.

Total number of responses to the survey was 1308

- Hervanta: 629 responses
- Multisilta: 195 responses
- Peltolammi: 262 responses
- Tesoma: 222 responses

Residents' survey questions

Background information

- *Which neighbourhood do you live in?*
- *How old are you?*
- *What is your gender?*
- *What language do you usually speak at home?*
- *How long have you lived in your current neighbourhood?*
- *What are your plans for housing in the future?*

In the following questions, evaluate your current experience in your neighbourhood (1-10):

- *Experience of the development themes (Diversity of housing, availability of Public services, availability of Commercial services, Schools, Daycare centres, Accessibility within the area, Accessibility to other areas, Pleasantness, Safety, Community Spirit, Reputation, Opportunities to influence the development of the area)*

Which of the following themes should be specifically developed in the area? Choose 1-3 things.

- *Housing, Public services, Commercial services, Schools, Daycare centres, Accessibility within the area, Accessibility to other areas, Pleasantness, Safety, Community Spirit, Integration, Reputation, Opportunities to influence the development of the area, Other development themes, specify*

How would you develop the issues you selected above in the region?

What do you think is best in the area? Choose 1-3 things.

HERVANTA

629 responses

Local nature is important to Hervanta residents. Hervanta is considered better than its reputation. The centre of Hervanta needs more welcoming public spaces, as well as public order and traffic control.

Background information of respondents

Of the respondents, 68% were women and 29% were men. The remainder were of a different gender or did not wish to answer the question.

The largest age group of respondents was 30-39 years old (28%), followed by 40-49 years old (17%) and the third largest group was 25-29 years old (13%). There were no respondents under 15 years old.

Finnish was the main language spoken at home by respondents (88%), followed by another language not listed (5%) and English the third most common language (4%).

43% of respondents in Hervanta had lived in the area for 10 years or more. The next highest proportion had lived in the area for 1-4 years (30% of respondents). And the third largest group of respondents had lived in the area for 5-9 years (15% of respondents).

The majority of respondents plan to live in the area for as long as possible (71%). The second largest group of respondents plan to move out of the area in a few years (21%). The remaining respondents say they plan to move out of the area soon (4% of respondents) or that they wish to stay in the area but have not found a suitable home (4%).

Best in Hervanta

*What do you think is best in the area? Choose 1-3 things.
Summary of open responses from residents.*

- 1. CLOSENESS TO NATURE AND FORESTRY:** Local nature and good outdoor spaces are valued.
- 2. SERVICES:** The area is well served by local services. Residents value especially the library and the wide range of services in the Duo shopping centre. They would like to see more cafés and meeting places in the area.
- 3. GOOD TRANSPORTATION:** The tram and public transport in particular were mentioned as good aspects of the area.

TESOMA

222 responses

The reputation of the area should be updated to reflect the good experience of the residents. Satisfaction with commercial services is good. Leisure facilities and green areas should be developed. Improvements to outdoor exercise facilities were also requested. Residents wish to improve the wellbeing of young people in the area.

Background information of respondents

Of the respondents, 74 % were women and 22 % were men. The remainder were of a different gender or did not wish to answer the question.

The largest age group of respondents was 30-39 (23 %), followed by 50-59 (21 %) and the third largest group was 40-49 (20 %). There were no respondents under 15 years old.

Finnish was the main language spoken at home by respondents (97 %), followed by Estonian (1 %) and the third largest group spoke some other language not listed in the survey (1 %).

Of the respondents in Tesoma, 44 % had lived in the area for 10 years or more. The next highest proportion had lived in the area for 1-4 years (27 % of respondents). And the third largest group of respondents had lived in the area for 5-9 years (20 %).

The majority of respondents plan to live in the area for as long as possible (72 %). The second largest group of respondents plan to move out of the area within a few years (15 %). And the third largest group of respondents would like to stay in the area but cannot find a suitable home (8 %).

Best in Tesoma

*What do you think is best in the area? Choose 1-3 things.
Summary of open responses from residents.*

1. **NATURE:** Resident value the surrounding nature, especially forests, lakes, hiking trails and the closeness to nature.
2. **SERVICES:** Diverse services, such as shops, health services, library and sports facilities, were appreciated.
3. **GOOD ACCESSIBILITY:** Good public transportation, such as buses and trains, and easy access to the city centre were mentioned as the best things about the area.

Photo: City of Tampere, Laura Happonen

Experience of the Tesoma area

Average of responses (experience evaluated on a scale of 1-10):

What is your experience of the Diversity of Housing options in the area?	7,1	What is your experience of the area's Pleasantness?	7,6
What is your experience of availability of Public services in the area?	8,0	What is your experience of Safety in the area?	6,8
What is your experience of availability of Commercial services in the area?	7,3	What is your experience of the Reputation of the area?	5,6
What is your experience of Schools in the area?	6,9	What is your experience of the Community Spirit in the area?	6,7
What is your experience of Daycare centres in the area?	7,0	What is your experience of Opportunities to develop the area?	5,8
What is your experience of Accessibility within the area?	7,7		
What is your experience of the Accessibility to other areas?	7,9		

Most popular areas of development in Tesoma

SAFETY: The overall experience of safety in the area is good, but there is a desire to support the well-being of young people in particular. There is also a need to improve traffic safety for pedestrians.

REPUTATION: The reputation of the area does not match the residents' experience of the area. According to the residents, there should be more positive news about the area.

COMMERCIAL SERVICES: More leisure facilities, such as cafés and more varied restaurants, were wished for in the area.

PLEASANTNESS: Green areas and parks in the area should be developed for leisure. Residents value nature and do not want to reduce greenery in the area through overdevelopment.
