

Kaikukortti

What is Kaikukortti?

Kaikukortti is a card that you can use to get free tickets to museums, concerts, festivals, theatres and Kaikukortti pop-up events. Kaikukortti is personal and doesn't cost anything.

Where can you get a Kaikukortti?

The card is distributed by the operators that are listed in this brochure and whose services you use as a customer.

For more information:
www.tampere.fi/kaikukortti

Where can you use Kaikukortti?

Kaikukortti is valid for various cultural venues in Tampere. This brochure contains concise information on the cultural venues' offerings under the contact information of the cultural venues.

The cultural venues involved in Kaikukortti activities provide more information on Kaikukortti's validity for specific events and/or performances on their websites. This information can often be found on a website under: tickets / discounts / Kaikukortti. You can also call a cultural venue and ask about the offerings available with Kaikukortti.

You can also use Kaikukortti to get free tickets to cultural offerings in other localities. Check the national Kaikukortti website to see which municipalities are part of the Kaikukortti network.

Who can get a Kaikukortti?

YOU CAN GET A KAIKUKORTTI IF

- you are a 16-year-old or older Tampere resident
- you are a well-known person within the services of an operator involved in Kaikukortti activities
- you can't afford tickets due to a tight financial situation.

You don't need to prove your income with a separate certificate to get a Kaikukortti.

Where can you use Kaikukortti to get a ticket?

With Kaikukortti, you can get a ticket through the cultural venue's own ticket sales either by visiting in person, by phone or by email. In such a case, there is usually no service fee. Some cultural institutions operate through the lippu.fi channel. In such a case, a service fee will be charged for redeeming the ticket. When booking a ticket, please give your Kaikukortti number and be prepared to show your Kaikukortti when redeeming the ticket. The cultural venue is also allowed to check your identity when you are buying a ticket. If you get a ticket to a cultural venue in another city through Lippupiste (lippu.fi) or other commercial ticket agency, you will have to pay the service fee yourself, even if the ticket itself is free.

Please contact the cultural venue by email to enquire about the availability of Kaikukortti tickets before going to the ticket office. A limited number of Kaikukortti tickets are available for each performance included in the scheme, and at times all available Kaikukortti tickets may already have been claimed by other Kaikukortti holders, for example at theatres or for concerts.

Take your Kaikukortti with you when you go to a cultural event. The staff will ask you to show your Kaikukortti. The cultural operator is also allowed to ask you to prove your identity.

Please note that each cultural institution has a limited number of Kaikukortti tickets. You can also get tickets for children with Kaikukortti. If your family has children under the age of 18, you can use your personal Kaikukortti to get free tickets also for them when you are going to the same event together. Check the cultural operators' websites for limitations on the number of children that can be admitted free of charge or call the cultural venue's phone number found in this brochure.
